Annual Christmas Carol Service & Buffet Supper, 6.00PM Thursday 11th December 2019 at St Margaret Lothbury, London EC2R 7HH

Our Chairman, Michael Khan, Esquire, invites you and your guests to join him together with members of The Worshipful Company of Scientific Instrument Makers and Broad Street Ward Club for this wonderful event of joyous music and camaraderie.

There has been a church on the site since the twelfth century; the present church was completed in 1692 after the Fire of London to the design of Sir Christopher Wren, Robert Hooke's tower was added in 1700. The organ, built by George Pike, was installed in 1801 and refurbished in 1984 and is still in regular use.

The service will be led by our Chaplain, The Reverend Prebendary Jeremy Crossley, Rector of St Margaret Lothbury. The organ will be played by Richard Townend, an organist of international reputation who is especially noted for his long- standing annual programmes of organ recitals at St Margaret Lothbury. Richard will be accompanied by the Lothbury Singers.

The service will be followed by a reception and buffet supper in the parish hall where members and their guests can mix and in an informal and festive atmosphere.

Those of every variety of belief are, of course, most welcome to attend. There is no charge for attending the service, but there will be an opportunity to make a donation in aid of the work of St Margaret Lothbury.

Please supply returns by 30th November to enable us to formalise catering requirements.

Dress:

Business wear or equivalent; ladies may wear hats if they wish.
