150TH ANNIVERSARY BANQUET

6.45PM FOR 7.30PM WEDNESDAY, 25TH APRIL 2012

MANSION HOUSE, LONDON EC4

Dear Member,

We are very pleased to announce the details for the highly anticipated 150th Anniversary Banquet, the formal event to mark our Club's sesquicentennial year.

We are highly honoured to have the privilege of holding this event in the Mansion House, with the Lord Mayor of the City of London and the Sheriffs in attendance.

The evening will commence with a reception in the elegant Salon at 6.45 pm to be followed at 7.30 pm by a sumptuous four-course banquet, served with fine wines, in the magnificent setting of the Egyptian Hall.

Throughout the evening, musical entertainment will be provided by the Quintabile Brass Ensemble, one of London's leading brass quintets, and also by a surprise soloist!

Our principal guest and postprandial speaker was well-known in the City of London before he left for Jersey. A familiar sight on London's streets, sometimes on foot, sometimes on bicycle, and at times even on horseback, he will be able to offer a unique perspective on life in the City!

As this is an evening of historic importance for the Club, the event has been subsidised to allow as many members as possible to attend, and we are delighted to be able to offer tickets at just £97.50 per person. We hope, therefore, that you will take this opportunity to invite friends and family to what will surely be a most memorable occasion.
